

# Default Report

*Worldviews United States Region Analysis*

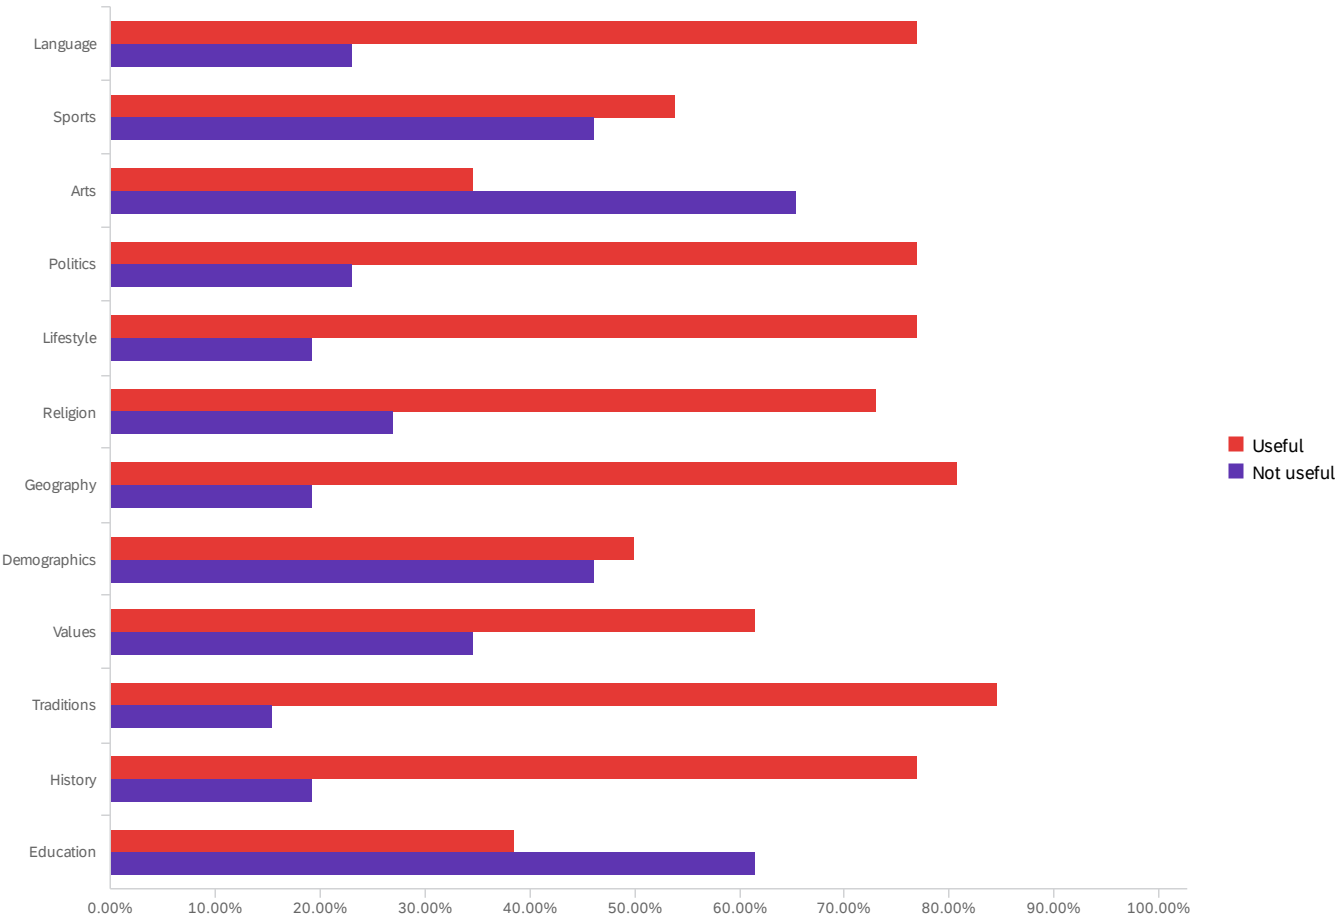

April 11, 2021 11:28 AM MDT

## 2 - What is your current state of residence?

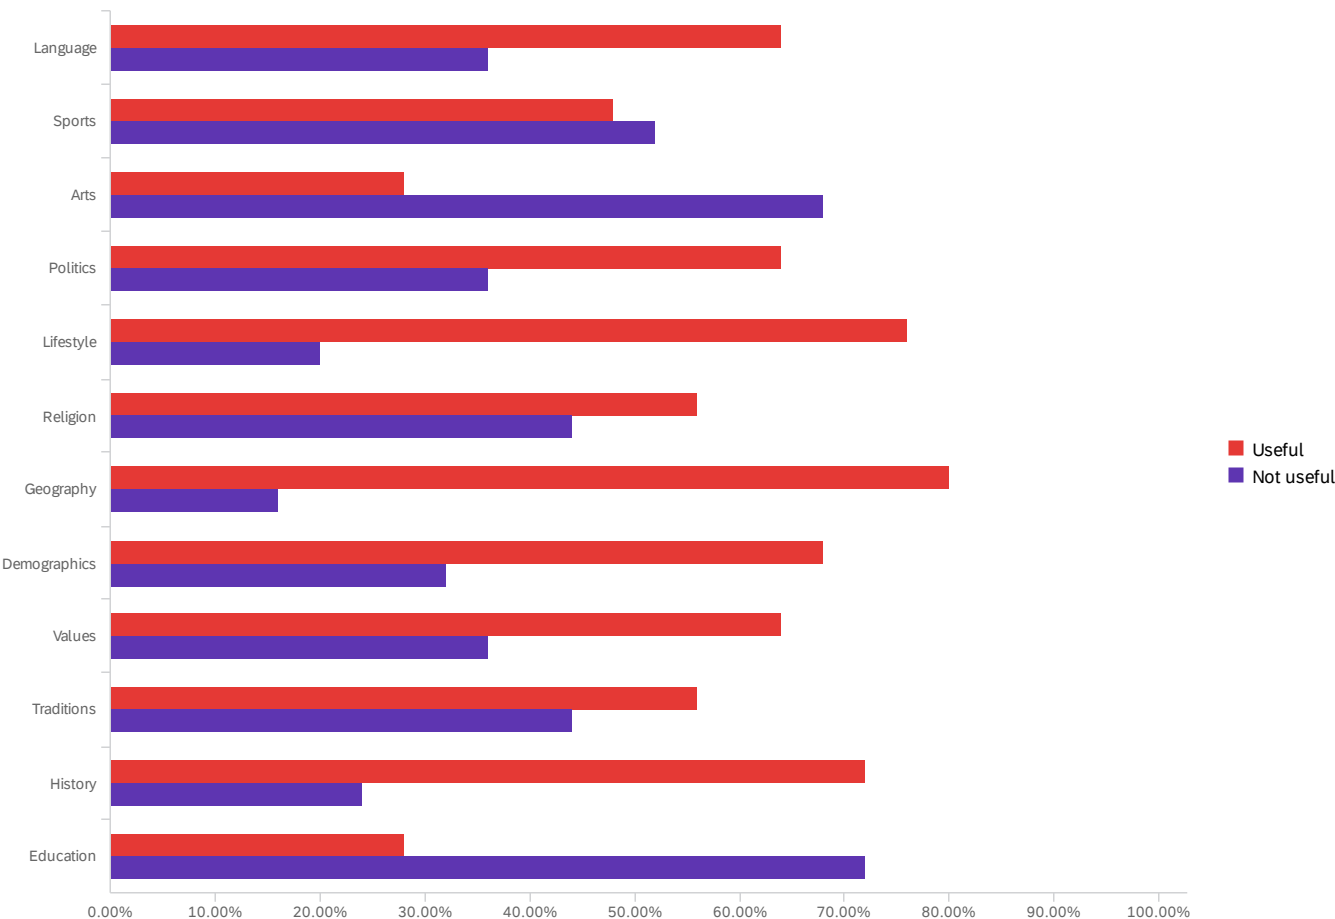

4 - Please sort the following concepts by their usefulness in distinguishing the various regions of the United States from one another

QID14 - Groups

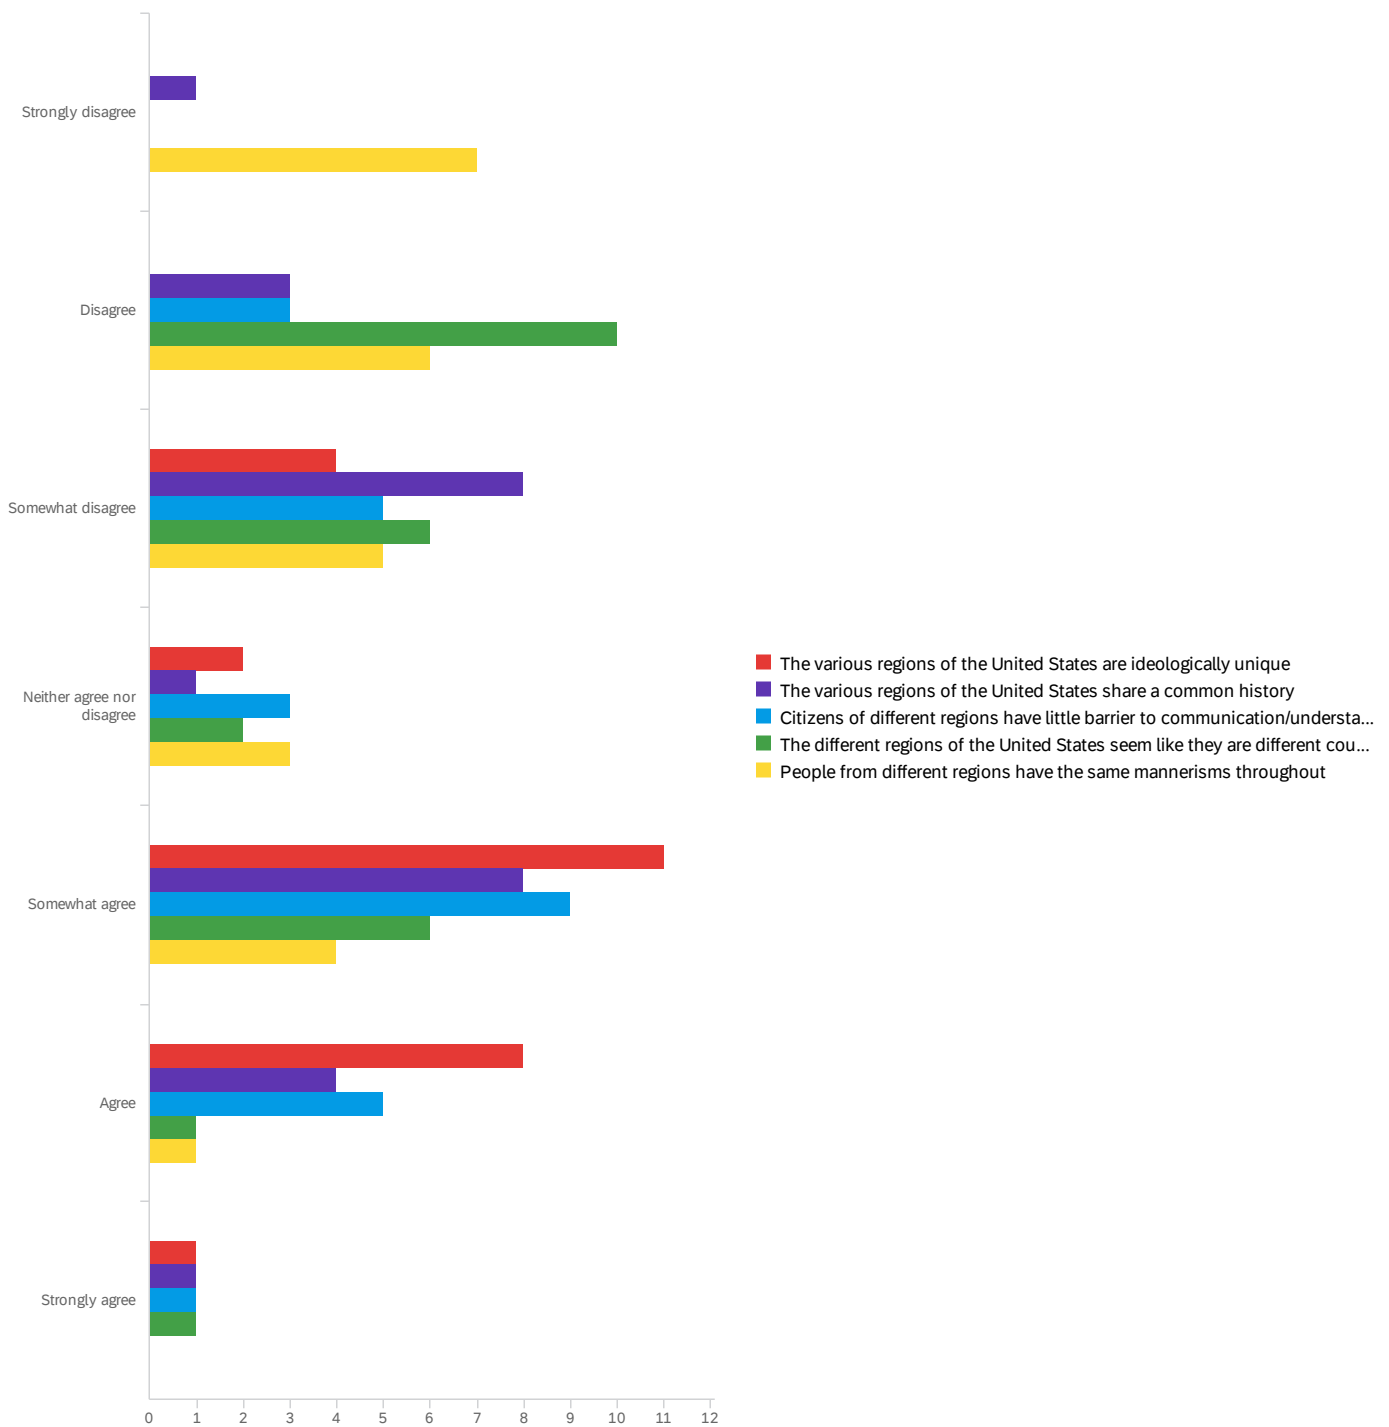

13 - Please sort the following concepts by their usefulness in distinguishing your home region from the other regions of the United States

QID18 - Groups

## 5 - Please answer the following opinion questions to the best of your ability

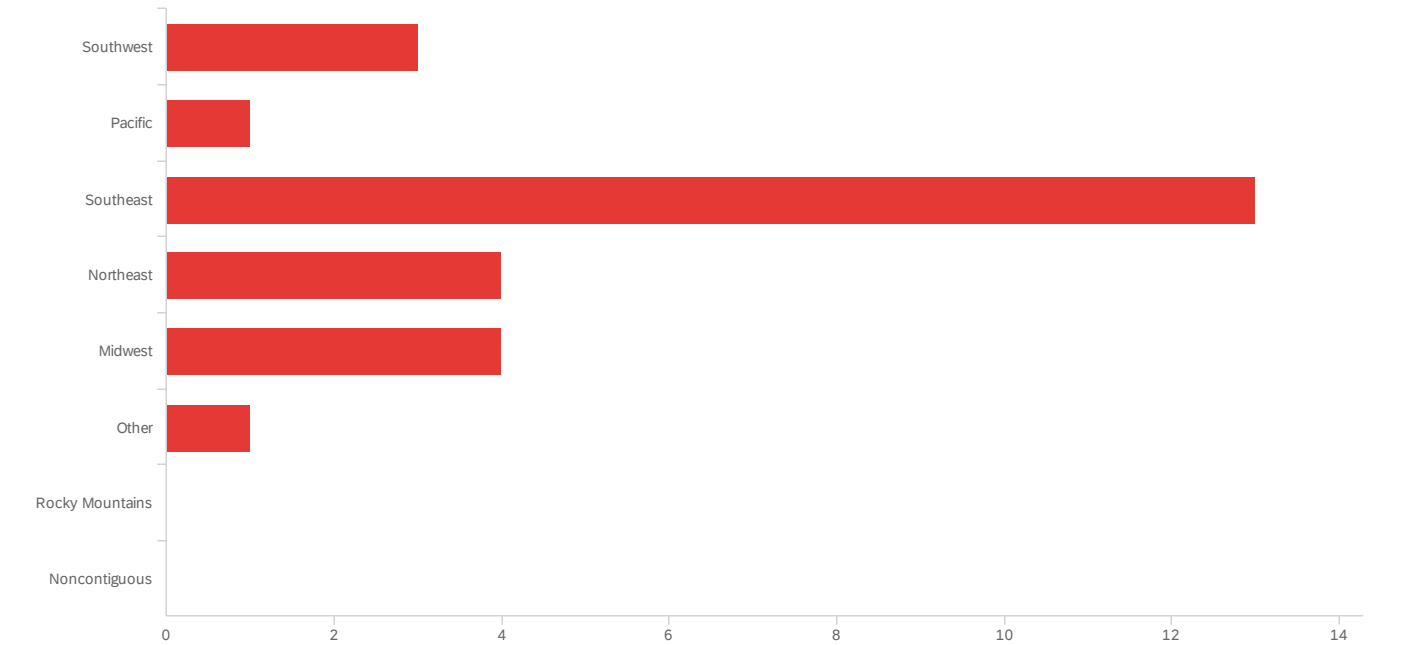

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
1	The various regions of the United States are ideologically unique	3.00	7.00	5.00	1.07	1.15	26
2	The various regions of the United States share a common history	1.00	7.00	4.08	1.54	2.38	26

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
3	Citizens of different regions have little barrier to communication/understanding	2.00	7.00	4.42	1.39	1.94	26
4	The different regions of the United States seem like they are different countries	2.00	7.00	3.42	1.47	2.17	26
5	People from different regions have the same mannerisms throughout	1.00	6.00	2.77	1.53	2.33	26

#	Field	Strongly disagree	Disagree	Somewhat disagree	Neither agree nor disagree	Somewhat agree	Agree	Strongly agree
1	The various regions of the United States are ideologically unique	0.00% 0	0.00% 0	15.38% 4	7.69% 2	42.31% 11	30.77% 8	3.85% 1
2	The various regions of the United States share a common history	3.85% 1	11.54% 3	30.77% 8	3.85% 1	30.77% 8	15.38% 4	3.85% 1
3	Citizens of different regions have little barrier to communication/understanding	0.00% 0	11.54% 3	19.23% 5	11.54% 3	34.62% 9	19.23% 5	3.85% 1
4	The different regions of the United States seem like they are different countries	0.00% 0	38.46% 10	23.08% 6	7.69% 2	23.08% 6	3.85% 1	3.85% 1
5	People from different regions have the same mannerisms throughout	26.92% 7	23.08% 6	19.23% 5	11.54% 3	15.38% 4	3.85% 1	0.00% 0

7 - Please select the United States region that best describes the region you most identify with

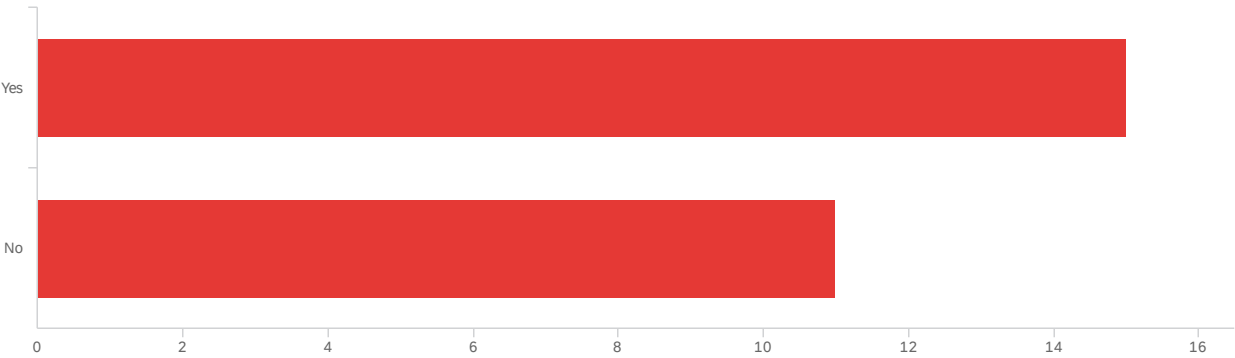

#	Field	Choice Count
2	Southwest	11.54% 3
3	Pacific	3.85% 1
4	Southeast	50.00% 13
5	Northeast	15.38% 4
6	Midwest	15.38% 4
8	Other	3.85% 1
9	Rocky Mountains	0.00% 0
10	Noncontiguous	0.00% 0

9 - On a scale from 1 to 5 (with 1 being the lowest), please indicate how much you identify with the region you chose above

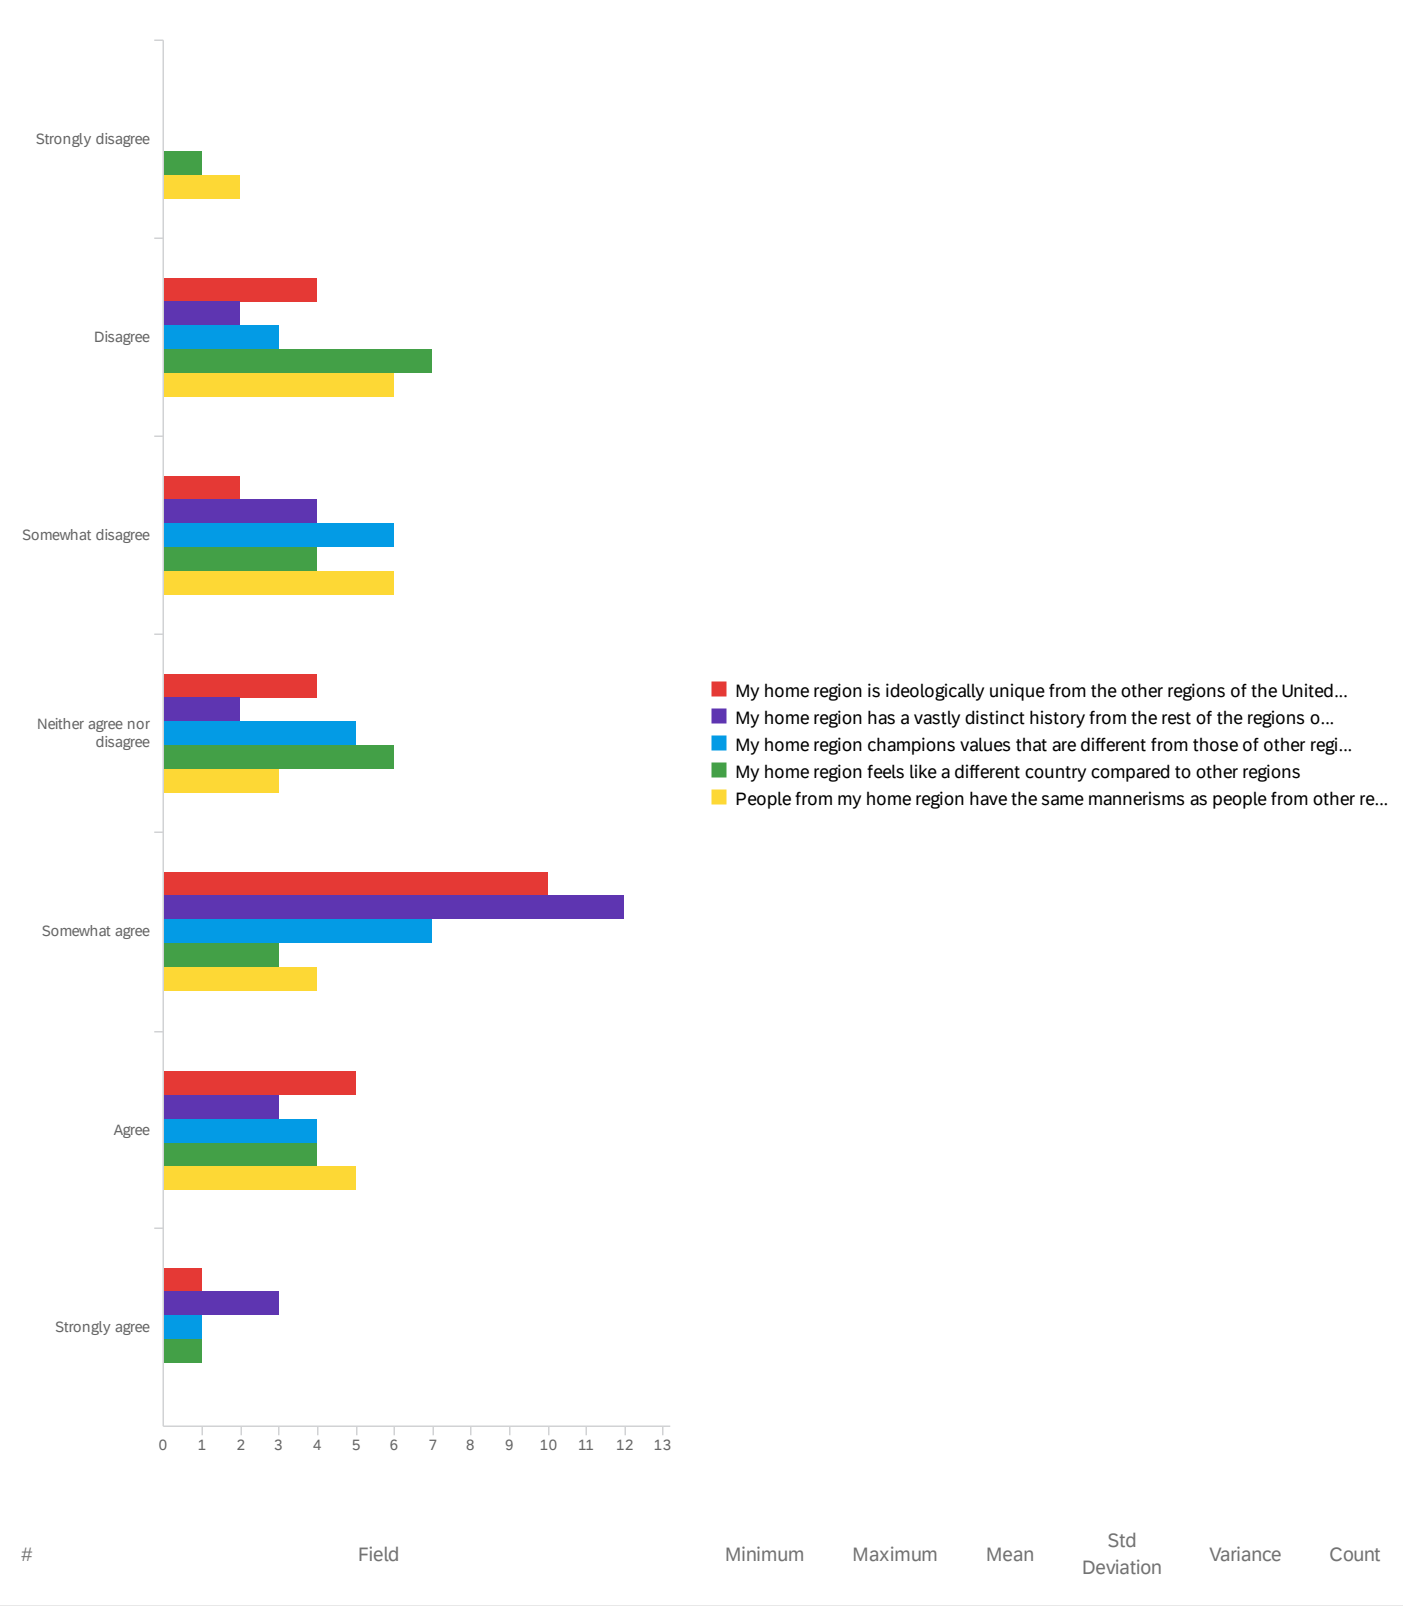

10 - Is your selected region your current region of residence?

14 - Please answer the following opinion questions to the best of your ability

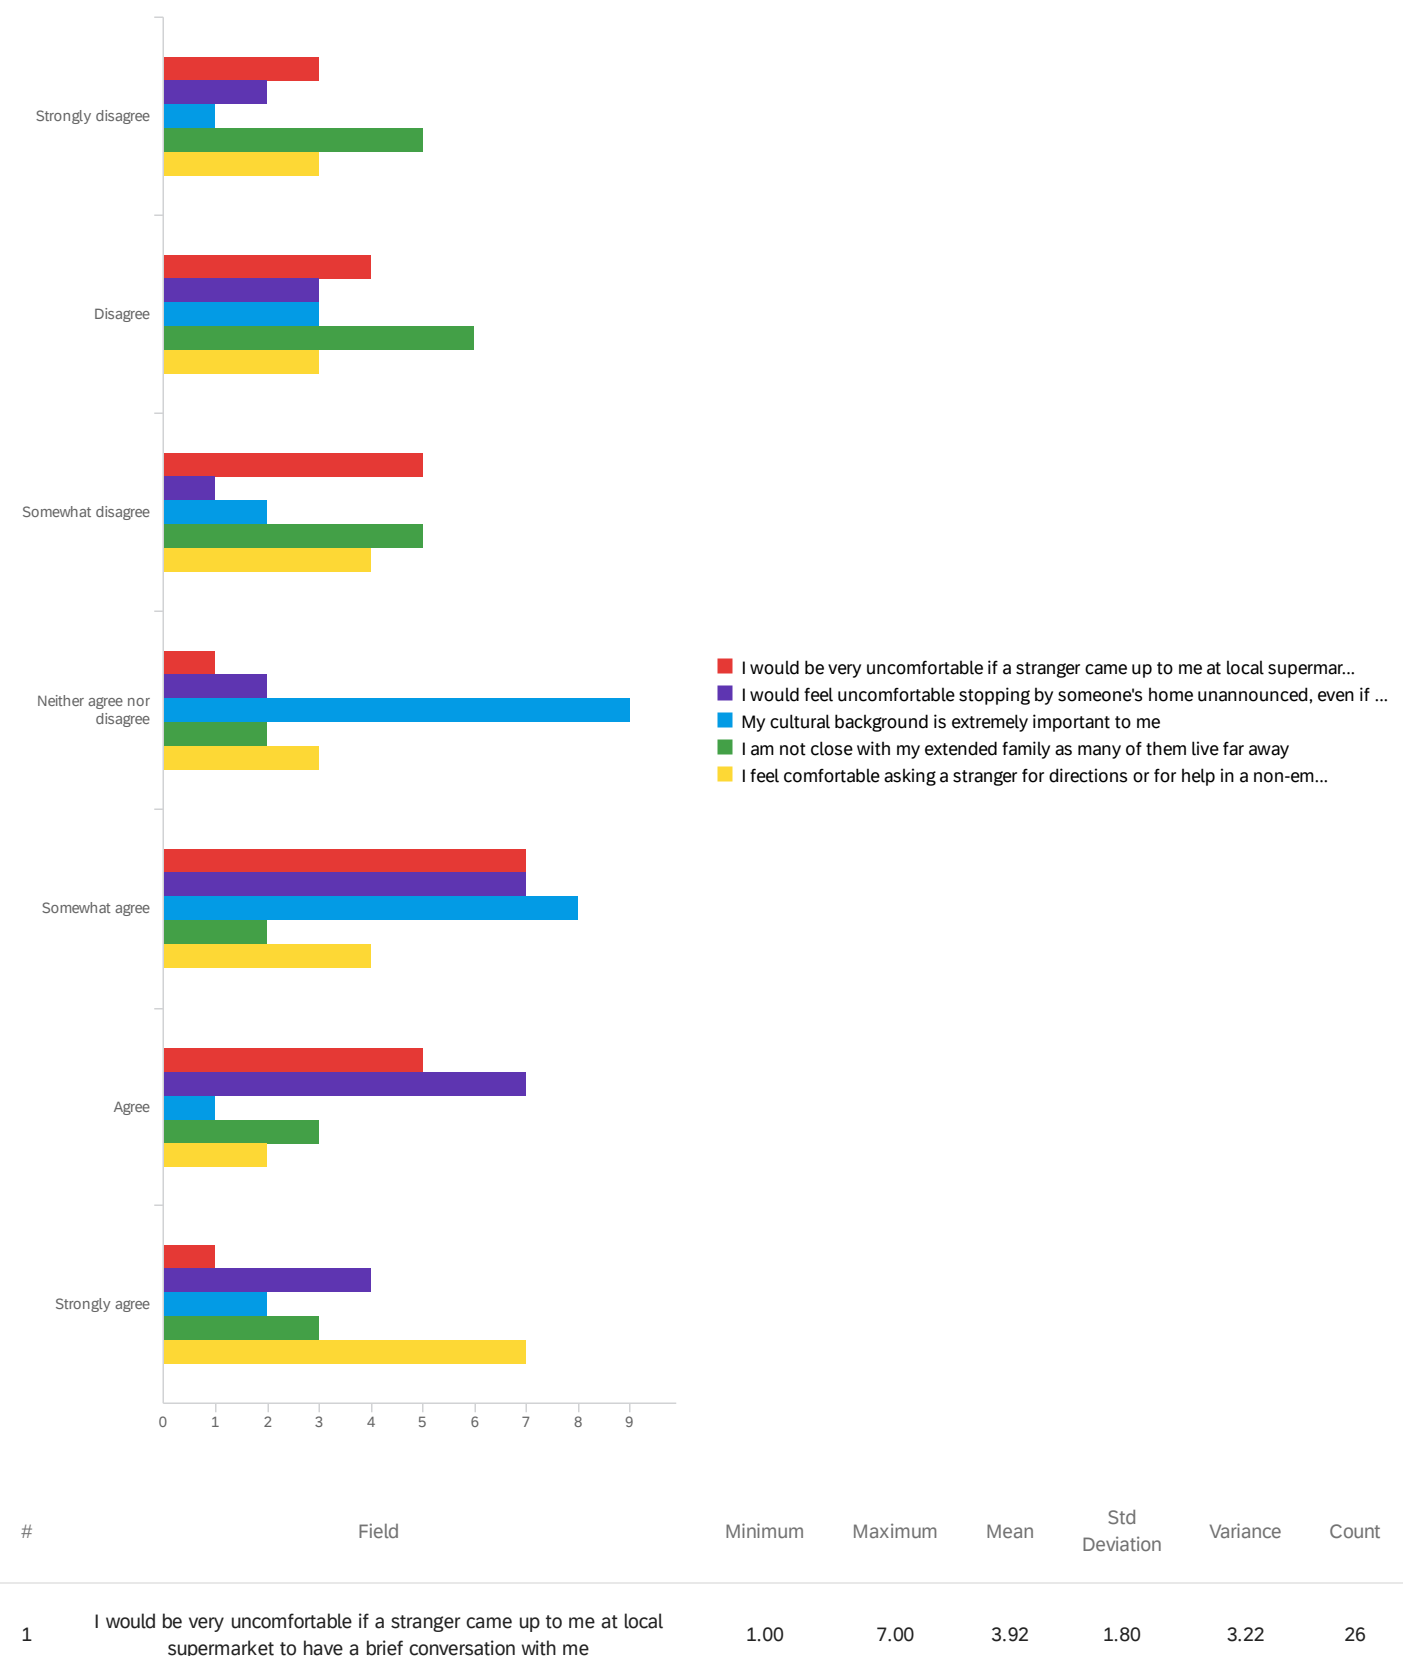

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
1	My home region is ideologically unique from the other regions of the United States	2.00	7.00	4.50	1.39	1.94	26

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
2	My home region has a vastly distinct history from the rest of the regions of the United States	2.00	7.00	4.73	1.37	1.89	26
3	My home region champions values that are different from those of other regions	2.00	7.00	4.23	1.37	1.87	26
4	My home region feels like a different country compared to other regions	1.00	7.00	3.73	1.61	2.58	26
5	People from my home region have the same mannerisms as people from other regions	1.00	6.00	3.62	1.62	2.62	26

#	Field	Strongly disagree	Disagree	Somewhat disagree	Neither agree nor disagree	Somewhat agree	Agree	Strongly agree
1	My home region is ideologically unique from the other regions of the United States	0.00% 0	15.38% 4	7.69% 2	15.38% 4	38.46% 10	19.23% 5	3.85% 1
2	My home region has a vastly distinct history from the rest of the regions of the United States	0.00% 0	7.69% 2	15.38% 4	7.69% 2	46.15% 12	11.54% 3	11.54% 3
3	My home region champions values that are different from those of other regions	0.00% 0	11.54% 3	23.08% 6	19.23% 5	26.92% 7	15.38% 4	3.85% 1
4	My home region feels like a different country compared to other regions	3.85% 1	26.92% 7	15.38% 4	23.08% 6	11.54% 3	15.38% 4	3.85% 1
5	People from my home region have the same mannerisms as people from other regions	7.69% 2	23.08% 6	23.08% 6	11.54% 3	15.38% 4	19.23% 5	0.00% 0

15 - Please answer these opinion questions to the best of your ability

## 16 - Answer the following questions regarding how regions influence the actions of the individual

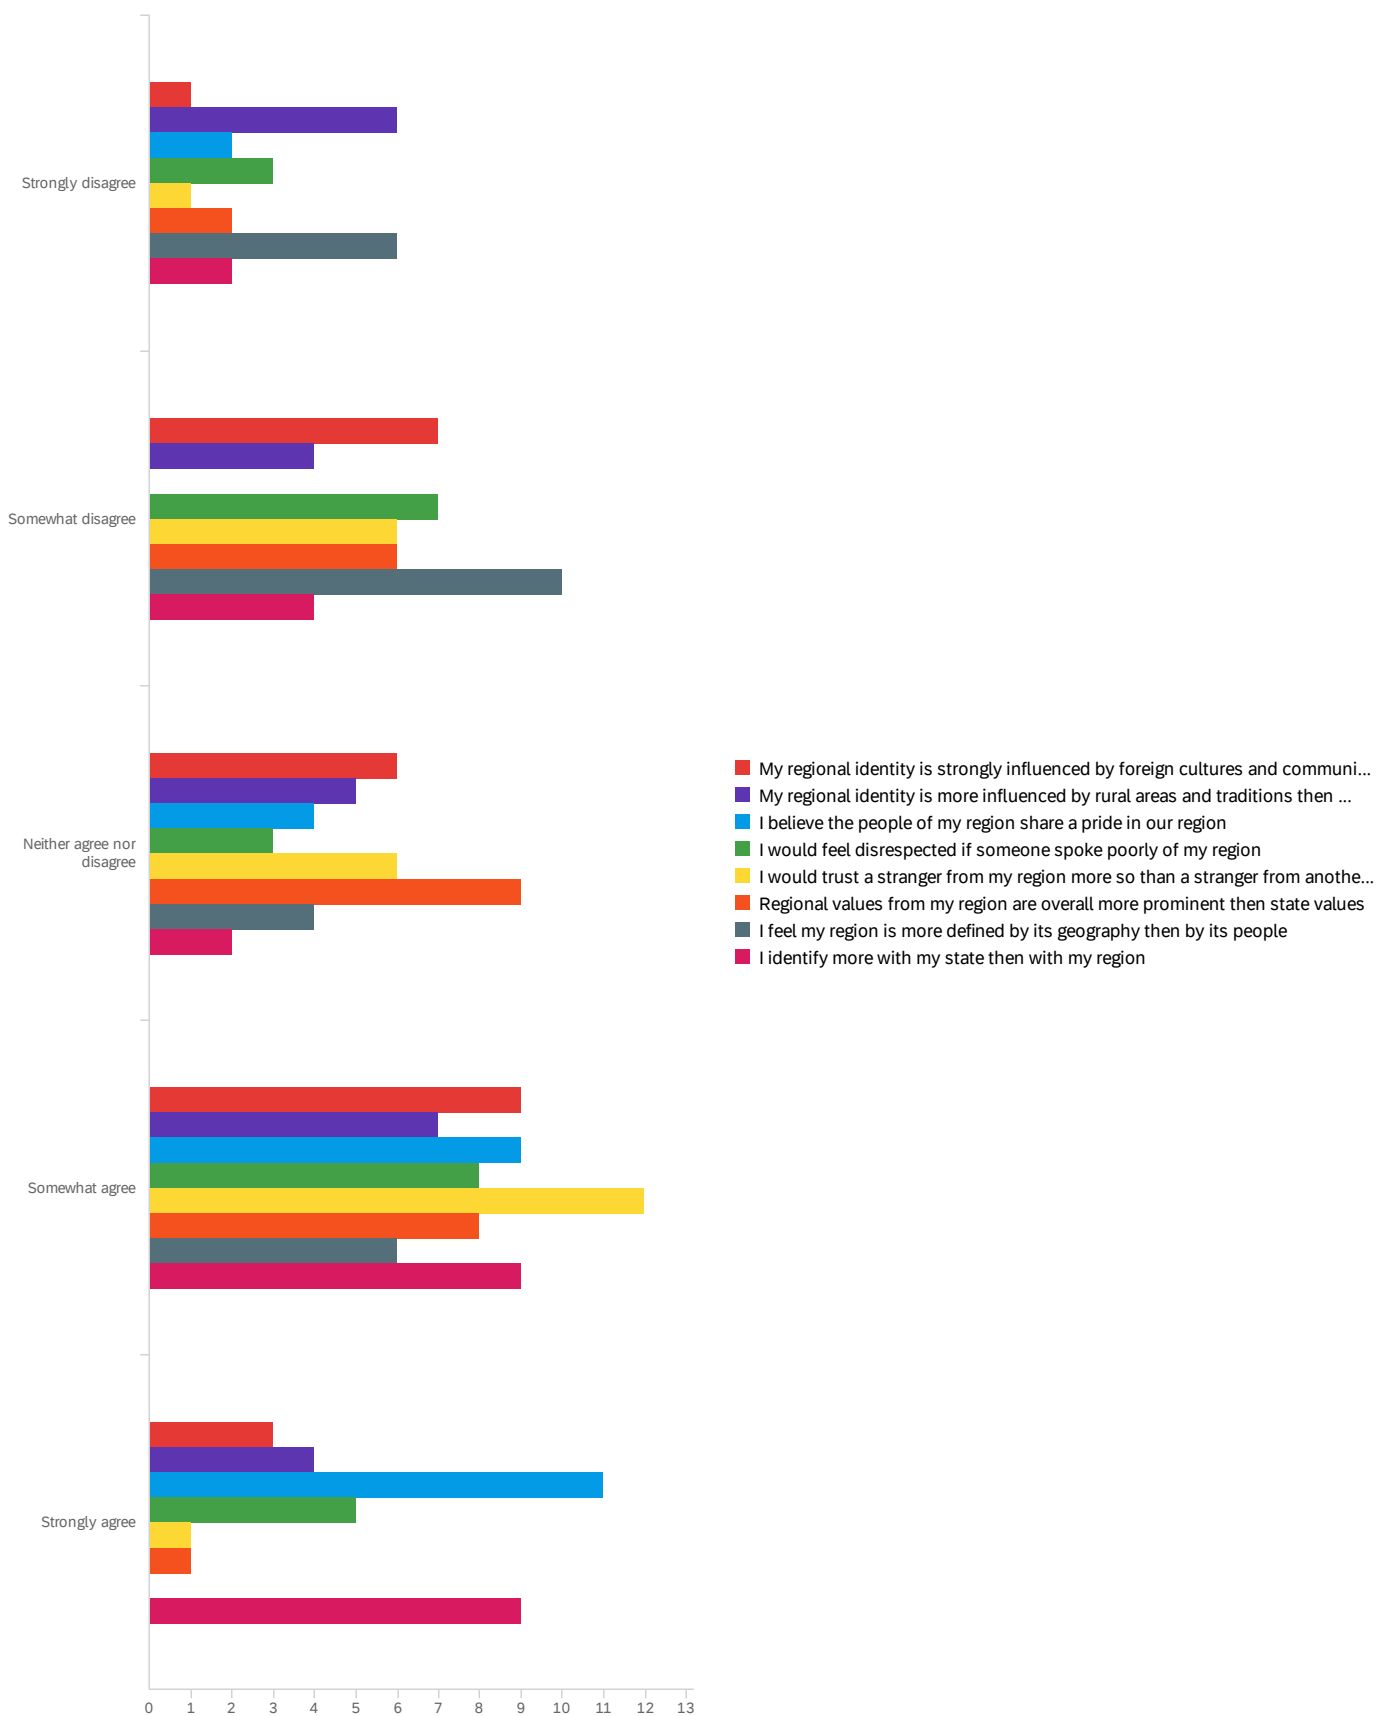

#	Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
1	People from different regions solve common problems differently because of their individual regional influences	1.00	5.00	3.62	0.84	0.70	26
2	People from the same region solve the same problem in similar ways because of their regional influences	1.00	5.00	3.54	0.80	0.63	26
3	Regional influences are more prevalent then family and community influences	1.00	5.00	2.35	0.87	0.76	26
4	I am equally as influenced by people of my region as I am by people of other regions	2.00	5.00	2.81	0.96	0.92	26
5	If I moved to a different region, I would react to problems in the same way I did in my original region	2.00	5.00	3.73	0.86	0.74	26
6	Different regions have different problems that I may not have ever interacted with	3.00	5.00	4.62	0.56	0.31	26
7	I would be as comfortable moving to another region as I would be moving within my home region	1.00	5.00	3.38	1.27	1.62	26

#	Field	Strongly disagree		Somewhat disagree		Neither agree nor disagree		Somewhat agree		Strongly agree		Total
1	People from different regions solve common problems differently because of their individual regional influences	3.85%	1	3.85%	1	26.92%	7	57.69%	15	7.69%	2	26
2	People from the same region solve the same problem in similar ways because of their regional influences	3.85%	1	3.85%	1	30.77%	8	57.69%	15	3.85%	1	26
3	Regional influences are more prevalent then family and community influences	11.54%	3	53.85%	14	26.92%	7	3.85%	1	3.85%	1	26
4	I am equally as influenced by people of my region as I am by people of other regions	0.00%	0	53.85%	14	15.38%	4	26.92%	7	3.85%	1	26
5	If I moved to a different region, I would react to problems in the same way I did in my original region	0.00%	0	11.54%	3	19.23%	5	53.85%	14	15.38%	4	26
6	Different regions have different problems that I may not have ever interacted with	0.00%	0	0.00%	0	3.85%	1	30.77%	8	65.38%	17	26
7	I would be as comfortable moving to another region as I would be moving within my home region	3.85%	1	34.62%	9	3.85%	1	34.62%	9	23.08%	6	26
